Mr Michael Rouvray
Manager Advisory & Consultancy Services
McIntyre Robertson Scarborough
PO Box 421
Marleston SA 5033

Dear Michael

I am pleased to have this opportunity to write on behalf of the Construction Industry Long Service Leave Board in acknowledging the professional efforts of McIntyre Robertson Scarborough in providing consultancy services to the Board. These services ranged from an initial feasibility study of direct property acquisition to the eventual relocation of the business to 191 Fullarton Road, Dulwich.

The project was challenging for both MRS and management due to the ongoing need to meet the demands of Board members and the broader construction industry. Despite these pressures, you are to be commended for the diligence and professional conduct displayed at all times. It was through your untiring efforts that the Board was able to achieve a cost effective outcome.

The Board has now used McIntyre Robertson Scarborough on several occasions and values their personable approach, expertise and knowledge of the Adelaide commercial property market.

I would not hesitate in recommending their services and am available to discuss this further with prospective clients.

Yours sincerely
