Dear Michael

MRS Consultancy Services – Lease Accommodation

On behalf of the Directors of Lawson Smith Lawyers I write to thank you and Andrew McIntyre for the outstanding result you achieved in securing the new accommodation at 1 King William Street, Adelaide.

Your knowledge, professionalism and proactive approach has generated a very strong result for our firm.

Based upon our experience we would have no hesitation in either using MRS again for tenant advocacy or recommending their services to a third party.

Should any of your prospective clients wish to discuss my experience with MRS they can contact the writer on (08) 8210 2600.

Yours sincerely
